Welcome Home

Millbury resident Georgette Drapeau (second from left), places a house next to the name of her son, Air Force Captain David Drapeau, who recently returned to the U.S. after three months service in the Persian Gulf. Mrs. Drapeau is assisted by Marguerite Duncan (right) and Theresa Johnson, occupational therapists at Fairlawn who organized employees and patients to make the banner.

WORCESTER - Despite the recent cease fire in the Persian Gulf, people at Worcester's Fairlawn Rehabilitation Hospital have not forgotten the continued service of U.S. men and women in the Middle East. A purple felt banner bearing the names of eight Desert Storm servicemen, all related to Fairlawn employees, hangs in the hospital's chapel, a symbol of hope for the soldiers' safe return home.

Patients and employees had a hand in making the banner. As each serviceman returns home, a handmade house is placed next to his name. The first house to take its place on the banner belongs to Air Force Captain David Drapeau, son of Fairlawn employee Georgette Drapeau of Millbury. Captain Drapeau recently returned to California after three months in the Gulf. The banner will remain in place until eight houses are attached to it.

Anne of Green Gables

SUTTON - The Sutton Jr.-Sr. High School Drama Department will present L.M. Montgomery's enduring classic, "Anne of Green Gables" on Wednesday, April 10 at 7 p.m. in the Elementary School Auditorium. Tickets are $2.00 and may be purchased at the school or at the door. The play is under the direction of Arthur Sacco, Jr.

The cast includes: Brittany Weber, Ian Newton, Anne Roach, Tracy Person, Christopher Boucher, Christie Holt, Courtney Washbourne, Teri Lessard, Melissa MacDonald, Rachelle DuHamel, Jessica Palmer, Julie Holt, Daniel Soucy, Kelly Morin, Christopher Boratyn, Nicolle Secord, Mindy-Beth Aldrich, Jennifer Johnson, Jennifer Moore, Jonathan Laydon, Kristen Kaczynski, Mandy LaCava, Stephanie Aldrich, Jonathan Moore, and Meghan Fox.

Over 200 Attend Youth Center's Annual Easter Egg Hunt

All photos Courtesy of Tim Downs

Youngsters patiently await their turn to play many of the games organized in conjunction with the hunt.

MILLBURY - The second annual Easter Egg Hunt sponsored by the Millbury Youth Center attracted over 200 children and their parents on Saturday. Teenagers who attend the Center cleaned and decorated the building, hid the eggs, and ran a number of games for the children, including pin the tail on the bunny. Judging from the happy faces and filled baskets, everyone had a great time.

Lisa Maria Riccardi takes aim on the Easter Bunny's tail while Casey Joubert (photo right) has help from Bobo the Clown.

Jeff Keith (photo left) and Joseph Kroll (photo right) have spotted something that appeals to them.

We The People...

Endorses Hutchinson

To the Editor:

I would like to say a few words to the voters on the coming town election in Sutton about Carl Hutchinson, who is seeking election as Selectman.

In the 25 years I have lived in Sutton, I have seen Carl grow into a man whose word is good, a man happy, successful, and good at what he does for a living.

I have seen him serve the town he grew up in as a member of the finance committee. Now he would like to be one of our selectmen. Carl is the type of person who not only wants to know what is happening around him, but also wants to know why. For these reasons, I support Carl Hutchinson in his bid for selectman.

Donald F. Smith, Sutton

Endorse Connor

To the Editor:

Sutton, like most Massachusetts communities, is facing a very difficult time in the months ahead, as tough budget decisions affecting us all, must be made. We urge all Sutton voters to carefully study the qualifications of those candidates seeking the office of selectman. We believe those who do will find one candidate, Mary K. Connor, to be exceptionally competent, in terms of education, experience, and character.

We are fearful that some people, who like ourselves disagreed with Mary K. on the power plant question, will focus on that single issue when they make their critical choices on April 27. We are convinced that we will never find a candidate with whom we share the exact set of beliefs. What we must do, is to make the most informed decision we can, in the best interests of Sutton.

Mary K. is open to a diversity of viewpoints, and form personal experience we know that she respects and responds to any reasonable difference in outlook. In our opinion, Sutton is lucky to have someone of Mary K's abilities willing to continue to take on the challenges that lie ahead.

Please consider Mary K. Connor for one of your votes for selectman.

Tom and Kathy Palumbo, Sutton

Support LaBonte

To the Editor:

Rick LaBonte is running for his second term as a selectman. During his 20 years of dedicated service to the town of Sutton, he has been a valuable member of many town government committees, including the school committee. Rick has supported overrides in the past and is a strong advocate of a balanced town budget. He has worked hard for the expansion of supportive professional personnel for our town government and for his goal of efficient and cost-effective town management.

At the state level, Rick has developed a solid working relationship with State Representative Richard Moore; during his political career, he has made the contacts at the state house level that in these times of declining state aid can be very beneficial.

His attendance at various local sub-committee meetings and his work on many volunteer committees like Veterans Field, have been of great benefit to the town's children and taxpayers; Rick has been in the forefront of town officials who support the rise of recreational opportunities, facilities and programs in the Town of Sutton.

It is without any hesitation that we urge your support of Rick LaBonte for one of the two contested seats for Board of Selectmen.

With your endorsement on April 27, Sutton will continue to benefit form the LaBonte commitment and the LaBonte expertise.

Rod & Marilyn McLeod, Sutton

Endorse LaBonte

To the Editor:

Where were you on the evening of May 7, 1990? If you're a resident of Sutton, you might have attended the annual town meeting in the elementary gym. Do you recall why a record turnout of 783 registered voters were there? We do, the POWER PLANT issue! A clear majority of us were there to tell our elected officials that we, at best, wanted an outright ban on power plants in residential zones in Sutton, and at worst, a 2 year moratorium to await the newly appointed task force's findings on the effects such an industry would have on our town.

I hope you will remember that of the two incumbents running for re-election to the board of selectmen, Rick LaBonte was the only current candidate to support the wishes of the majority of the townspeople. The basic premise of representative government is that elected officials be responsive to the mandates of the voters who they represent. Rick LaBonte has proven that he is a trustworthy representative of the people of Sutton and it is for this reason that we urge the voters of Sutton to cast one of their votes for Rick LaBonte, Selectman, on April 27th.

Robert and Anne-Marie Austin, Sutton

Says There Is No Waste

To the people of Sutton:

It is time, again, at the May 6th Annual Town Meeting to take part in planning the future of our town. Proposition 2 1/2, the property tax law under which all local services are funded, is not being supplemented by the state again this year. This is not a question of "being able to live within our means." This is a question of survival, and after ten years of constant struggle on the part of our community to make Proposition 2-1/2 work, including an override and many debt exemptions for capital projects, we again face a potential for serious reductions in services which would set us back a good decade.

Spending approximately $700 less per student or $850,000 annually below the state average, the Sutton school system is a gem, a model with national recognition and accolades accumulating every year because of our dedicated faculty, staff and administration. There is no waste.

All across the state public education has been decimated in cities and towns which have been unable or unwilling to make up the difference between what is really needed and what can be provided under Proposition 2-1/2. We, in Sutton, have great pride in our community because we have taken responsibility to make sure that those who live in our town and those who work for our town are respected. It should be no different this year.

This year and every year, it is crucial that all people concerned about the future of our public schools sustain them with their vote at the Town Meeting. The Finance Committee and Selectmen are predicting a cut of $438,000 from our recommended budget. If this happens, it will be devastating. We must pressure the state for help in saving our schools. Only after the state has decided on the amount of local aid it will provide us, should we at the local level talk about specifics.

With great pride in the potential within all of the citizens of Sutton to work together this year and every year, I am

Elizabeth Bacon, vice-chairman, Sutton School Committee

Please note...

The deadline has now passed for candidate annoucements for upcoming elections in Millbury and Sutton. The deadline has also passed for letters to the editor relating to any candidate or issue coming before the voters in the upcoming elections.

Millbury Selectmen's Meeting Digest

Board Votes to Support Greenway

By Edward J. Cooney

MILLBURY - The March 26 Selectmen's meeting was called to order by Chairman Jude Cristo.

Replacement of Telephone Pad

Administrative Assistant Earl Chase said New England Telephone is seeking approval to replace the telephone pad for the pay phone station at the common because its present condition creates a safety hazard. The cement pad would be contoured to blend into the sidewalk and the curb. The board unanimously approved the request.

Pine Grove Villa

Chase announced that Pine Grove Villa nursing home on West Main Street will be subject to a mortgage sale at a public auction on April 12. He said he had not heard if two prospective buyers received the financial backing they were seeking. He said the mortgage holder, Family Mutual Savings Bank, will in all probability be involved in the bidding process.

Handicap Ramp

Town Planner Dave Hulseberg was present to review Fallon Clinic's proposal for a handicap ramp at its facility on Elm Street. Board members had expressed safety concerns with the grade of the ramp as it would be located on the sidewalk abutting the building.

Hulseberg said an alternate suggestion to grade the inside of the building at the door would not be feasible as the support beams for the floor would not allow for an inside grade for wheelchairs.

The proposed cement grade for the ramp would have a 2% incline which is similar to a grade on the sidewalk near the Millbury Savings Bank on the opposite sidewalk on Elm Street.

Board members Roland Lachance and Gerry Bleau asked for a delay to allow for an on-site look at the clinic entrance.

Greenway Project

Stuart Baker, coordinator for the Blackstone River Watershed Association's greenway project, was present to seek the board's support to create a protected greenway along the entire length of the Blackstone and its major tributaries.

Baker said his group is trying to implement the greenway proposal in conjunction with support from towns along the Blackstone River Corridor. He noted that Millbury is at the beginning proposed phase for the greenway, and the association will be seeking assistance from the town, local people, and landowners to provide for conservation restrictions whenever possible.

Lachance asked Baker if the association is planning to identify polluters of the river. Baker said that situation is being worked on and members of the association are keeping an eye out for polluters. He also noted that Save the Bay is making strong efforts to clean up the Blackstone and is addressing issues relating to pollution.

Lachance asked if they were also looking at the Upper Blackstone Sewer Abatement District Plant on Rte. 20 as a source of pollution. Baker said Save the Bay is tackling that issue.

Cristo noted that there hasn't been much inclusion of Millbury in the Blackstone River projects over the years and asked if the project would include identification of historic sites in Millbury. Baker said he was mainly concerned with open space, land use and ownership data of property in the greenway.

Baker suggested that a greenway advisory committee for each town be established to make the project viable, with more public involvement. "We welcome any suggestions any person might want to make as that is the key to creating a greenway," Baker said.

The board voted unanimously to support the concept.

Youth Center

Cristo reported that he, Selectman Donald Gauthier, and Earl Chase met with Penny Downs, Youth Center Director, to look at the rooms proposed for basketball and volleyball at the old center school. He said that a basement room would be the best choice for a gym. He also said that glass in the room will be screened and areas padded to provide for safety.

Community Service

Cristo said he spoke with John Flynn of the Sheriff's Department who indicated that prisoners may be available to work on laying the blue stone at the Asa Waters Mansion. He also said they may be available to help the Highway Department with roadside litter pick up as part of the County Jail's Community Service program.

Cable TV

The board met with the Cable TV Advisory Committee to discuss the process for renegotiating the town's contract with Greater Media Cable. Bleau questioned the lack of competition and said he wanted more information on the ongoing process in negotiating so the board would be more informed when the time comes for them to sign the contract.

SELECTMEN from Page 3

Bleau said his main concern is that the process does not foster competition. In fact, he said, the law protects the cable system. "I want the townspeople to be aware that we as a town do not have the capability to choose a company unless there are serious faults in their maintaining their present contract. By law," he said, "there is no competitive bidding."

Advisory Committee Chairman Paul DiCicco said the board was given that information two weeks ago, and wondered why it was being brought up again. "They (Greater Media) have not violated any of the present contract and have bent over backwards," DiCicco said. "We are getting what we asked for."

Advisory Committee member Jack Dupre said there were only two technical issues that the committee has concerns with and he expects them to be resolved by next January. "We have pretty much agreed on the technology," Dupre said. "One of the technologies in question is presently being field-tested now and it's a question of when it will be available."

DiCicco said his committee is doing its best in advising the board on what is best for the town. He also said Millbury's monthly rate will be within the range of that of other communities.

Dupre said that with rapid changes in technology, the new contract could be out of date with respect to technology a day after it is signed. He also said negotiations with Greater Media are ongoing and the selectmen will have to sign the contract by March 31, 1992.

Bleau said he wanted to know what will be in the contract ahead of time.

DiCicco said the board will be advised. He also said that the contract is 99% complete. He said if the Town dropped Greater Media it would have to start the process all over again which would mean the town would be without a cable system for at least two years.

Bleau said he was concerned with getting feedback from the advisory committee. "That's why I am asking more questions," he said.

Budget

At 8 p.m. the board met with the Finance Committee (FinCom) and all department heads to take another look at the town's financial condition, progress on the budget process, and to discuss the possibility of postponing the May 7th town meeting.

FinCom Chairman Tom Clawson reviewed the town's financial picture, including the proposed FY '92 local aid, funding changes, FY '92 income and proposed budget totals for FY '91-92 along with a potential $192,000 deficit created by rate increases in compulsory health insurance coverage for town employees. The FY '91 budget is $12,915,111. The FY '92 budget proposed totals $13,756,947.

Clawson said bids are out for garbage collection for a two year contract but no bids have been returned. The contract would be subject to appropriations.

Board of Health members noted that bid specs would call for slips noting the tonnage each month and the number of households from which garbage is collected.

In relation to where budget cuts are to be made to make up for the projected $192,000 deficit, Clawson said department heads proposed priorities at budget preparation time and in their presentationes to FinCom. He said large cuts were not anticipated in any one budget if local aid remains the same as projected.

Clawson also said he thought FinCom would be ready for the May 7th town meeting.

Lachance said he thought that voters would not have access to all the information on major articles until the town meeting, which would not allow voters time to study the warrant. He said that over the past several years that has been the major complaint he has heard from people concerning the town meeting.

Clawson noted that the information from the state was only received recently.

Assessor Harold Ostrowski noted that the warrant articles are already out and said the FinCom booklet for warrant articles could be made available early for the voters.

Unclaimed Animals

A request for support for a change in legislation relative to the amount of time a dog must be held for claim prior to destroying the dog was held over so board members could have time to review the change. The present time is 10 days; the proposed change would lower the time to seven days.

Chase said the Animal Control Officers Association is in favor of the pending legislation.

Miscellaneous

- The board approved retaining John Forand as insurance advisor under a contract for $4,000.

- The board also approved a service agreement with Homestead Inc. for consulting services for the installation of new street lights as part of an energy saving measure. Chase will run the agreement by town counsel.

- The board reserved approval for contracting services for the annual town audit under a proposed three year contract at a cost of $15,000 per year. Chase said the present contract is for $16,000 per year, and Auditor Robert Brown, who holds the contract, has made the offer at the suggested savings. Board members asked that the proposal be reviewed by the town treasurer and auditor.

- A letter from the National Heritage Corridor Commission was received announcing that a 5'x10' exhibit is available for display in each town in the Blackstone Valley. The board voted 5-0 to make the display available to the public.

- The board reaffirmed Safety Officer Ron Richard's recommendation to keep parking on Rhodes Street to one side of the street for safety reasons. Pine Grove Villa employees had asked that parking be allowed on both sides.

Millbury Golden Age Trip

MILLBURY - Bea Tift, of the Millbury Goden Age Club, is running a three-day trip to the Trapp Family Lodge in Vermont, June 26-28. The cost is $289.00. You do not have to be a member of the Club or a senior citizen to go. Anyone interested can call Bea at 865-4331.

Millbury Parents' Club

MILLBURY - The Millbury Parents' Club will meet on Tuesday, April 9, at 7:00 p.m. in the Media Center of the Shaw School. Claire Urbanowski will demonstrate bronzing techniques.

Lachance Seeks Re-Election

MILLBURY - Roland M. Lachance, of 32 Davis Road, has announced his candidacy for re-election to a three-year term as selectman. Two three-year terms on the board are up for election in the April 30 town election. Lachance is completing his fourth term on the board of Selectmen. A lifelong resident of Millbury, he is the warehouse manager for IBA, Inc., Millbury.

In announcing his candidacy, Lachance said, "I feel I have gained valuable knowledge from serving as a selectman for the past ten years. In addition, I have served on several boards and committees that have given me the experience and expertise in public office to carry out the management responsibilities of a selectman. Upcoming issues will be the drastic cuts in local aid and the future of Millbury which will be in the development of the Route 146 corridor."

Lachance served on the School Committee for six years, including one year as chairman, one year on the Planning Board, and three years on the Parks and Recreation Commission. He also served on the Raymond E. Shaw Memorial Middle School Building Committee, the ad hoc committee for Wheelabrator, the Solid Waste Disposal Committee and the Transfer Station Building Committee. He is a former chairman of the Asa Waters Building Committee and the Millbury Historical Commission.

Lachance is a member of the American Legion Devoe-Taylor Post #9, VFW Charles F. Minney Post 3329, Millbury Historical Society, and the Sutton Historical Society. Lachance was a coach for several years in the Millbury Pee Wee Basketball league. He was also a coach and manager for many years in the Millbury Little League and was the manager of the District Five Little League Champions in 1970.

Lachance is married to the former Kay Morgan of Millbury. They have four children and nine grandchildren.

Cristo Seeks Re-Election

MILLBURY - Jude T. Cristo, 32, of 42 Wheelock Avenue, has announced that he is a candidate for re-election to the Board of Selectmen in the April 30 town election. He currently serves as the Board's Chairman.

A lifelong resident of Millbury, Cristo is a graduate of St. John's High School, Shrewsbury, the Computer Learning Institute of Central New England College, and Worcester Junior College. He has also attended Quinsigamond Community College and Worcester State College. He is a Real Estate Broker.

In announcing his candidacy, Cristo said, "I will continue to actively pursue attracting appropriate commercial and industrial development to Millbury which does not destroy the integrity and rural character of the community. By broadening our tax base with the development of the Millbury Industrial Park, and with resource recovery revenues, we have been able to effectively weather the impact of the state fiscal storm."

Cristo said he will also continue his efforts to improve programs for the Town's elderly and youth. He said he believes that Millbury should continue to set aside natural and recreational open space for all age groups to ensure the quality of life. He also said he will work with other town departments to expand the Town's recycling efforts.

As Chairman of the Worcester County Advisory Board, Cristo said he will continue to support a state takeover and more efficient restructuring of County Government functions, which he said he believes will provide relief to taxpayers. "Municipalities cannot afford to subsidize County government," he said.

Cristo is a past Chairman of Millbury's Redevelopment Authority, Industrial Development Commission, and Computer Study Committee. He has also served on the Downtown Task Force to revitalize Millbury Center and as a delegate to the Central Massachusetts Planning Commission.

In 1986, he was named an Outstanding Young Man of America and in 1987 was named an Outstanding Young Leader of Worcester County by the Greater Worcester Jaycees.

Cristo is a member of the Millbury Lions Club, Singletary Rod & Gun Club, and the Greater Worcester Board of Realtors.

Strzelecki to run for Tree Warden

MILLBURY - Vincent Strzelecki, of 5 Dorothy Landing, has announced his candidacy for Tree Warden.

In making his announcement, Strzelecki said he feels he can do a good job because he is concerned about "the happenings in his town."

Strzelecki is the owner of VVT Crane Service. He is a volunteer on the Millbury Fire Department and a former Marine. He and his wife Nancy have two sons, Vincent and Ted.

Vulter Announces Candidacy

MILLBURY - Frederick T. Vulter, of 25 Davis Road, has announced his candidacy for the Millbury Board of Selectmen.

In making his announcement, Vulter said, "Many new opportunities will be forthcoming for our town. It will take foresight to allow our town to grow and prosper."

A lifelong resident of Millbury, he served as a police officer for 27 years, retiring a year ago. He is a graduate of Millbury High School and attended Quinsigamond Community College.

Vulter is a former member of the Millbury Fire Department and served as president of the Millbury Lions Club for four terms. He is currently finishing a one year term as District Governor of 52 communities in Central Massachusetts for the Lions Club.

Vulter's announcement stated, "Having served the community in his capacity and working with all departments in our town, he is qualified to become a candidate for the office of Board of Selectmen."

Vulter and his wife Elizabeth have seven children and eight grandchildren.

Art Workshop

MILLBURY - Would you like to learn about the American Indian Katchina dolls and how they were made? Children from six to twelve can learn about this exciting art form by attending the last in the Millbury Public Library's three part art workshop series on April 13. Class will consist of a slide presentation followed by a hands-on art activity resulting in a finished product.

The class for children six to eight will be held from 10:30-11:30 and for children nine to twelve from 11:30-1:00. Register during library hours by calling 865-1181. Seating is limited to 18 per class.

This program is funded by the Massachusetts Arts Lottery and administered by the Millbury Arts Council and the Friends of the Millbury Public Library.

'Cemeteries Are Fun'

SUTTON - William Stockdale, of Putnam, Connecticut, will present his new full-length color motion picture, "Cemeteries are Fun," at the West Sutton Community Hall, 659 Central Turnpike, on Wednesday, April 10 at 7:30 p.m. This event is sponsored by the West Sutton Hillside Club. The program is open to the public. Refreshments will be served. The requested donation will be $3.00.

"Cemeteries are Fun" is a look at a treasure trove of places, including Boston, and the Old Granary Burying Ground with the grave of Mother Goose; the "World View" resting place of empire builder Cecil Rhodes; the Kremlin Wall; the Wall of China; the Pyramids; and the Taj Mahal.

Please Note

The Chronicle is not on sale at the office, nor are back issues available at the office. The Chronicle may be purchased in Millbury at OTB News on Main Street and Village Knoll on West Main Street and in Sutton at Sutton Square Pharmacy on Rte. 146.

LaBonte Seeks Re-Election

SUTTON - Richard A. LaBonte, of 445 Putnam Hill Road, has announced his candidacy for re-election to the Sutton Board of Selectmen.

He holds an Associate of Science degree from Quinsigamond Community College in Law Enforcement and Criminal Justice. He is employed by the Worcester County Sheriff's Department as a Captain and senior shift supervisor.

Born in Sutton, LaBonte has served the town in a variety of capacities for the past twenty years. He has served on the Housing Authority, School Committee, Blackstone Valley Development Conference, Camp Marion Feasibility Committee, Manchaug Fire Station Study/Design Committee, Sutton School Building Committee, and the Recall Study Committee. He was also instrumental in forming the Veterans Field Committee which was successful in obtaining a year-round recreation site in Manchaug. To date, the committee has raised over $4,000 through non-taxable contributions.

LaBonte also chaired the Charter Feasibility Committee which recommended the appointment of a Town Administrator and worked for the adoption of the Sutton Charter. He has served as Town Moderator and on the Board of Selectmen, both as a member and as Chairman, which he said gives him superior experience with the problems, difficulties, and requirements of town government.

LaBonte said he advocated a five member Board of Selectmen, which was ultimately adopted, because he believes in the need for competent management of the Town.

LaBonte said his present primary concern is "the maintenance of a balanced budget, and achieving the maximum amount of services with a minimum number of layoffs."

He said his future concerns are "controlled growth in accordance with an updated Master Plan, maintaining the quality of our schools, protecting our environment and aquifers, and the continuance of the highest possible level of professionalism in all areas of government."

LaBonte is a Vietnam era veteran, and a member of the Dudley Gendron American Legion Post #414.

Connor Seeks Re-election

SUTTON - Mary K. Connor, of 118 Armsby Road, has announced her candidacy for re-election to the Sutton Board of Selectmen.

"I feel that both my experience in town government and my education background will enable me to provide positive, resourceful and independent leadership on the many issues that will face the town in the next three years," Connor said, in making her announcement. "If re-elected, I will maintain the same high level of effort and accessibility that citizens have come to expect of me."

Connor also served eight years on the planning board, five as chairman. She was a member of the Charter Commission and User Fee Study Committee, and currently serves on the Housing Partnership Committee and the By-Law Review Committee.

Connor said the most immediate issue facing the town is "defining the budget for the coming year. Town officials must make sure that the proposed budget reflects both the needs of the town and the priorities of the citizens," she said. "It will take someone with experience and credibility to keep the dialogue open and focused so that the voters at town meeting will have clear choices to make, and an understanding of the ramifications of their decisions.

"I believe that financing our local services over the longer term is actually the most important issue the town must come to terms with over the next few years," Connor continued. "The town, through its elected officials, must demand the state's commitment to restructuring its programs and ultimately to returning adequate financial resources to the local level. But we must look to long term solutions at the local level as well. Non-residential growth will certainly present an opportunity for financial stability in the near future. As a community, we must know what we want and we must be realistic about the alternatives we are faced with. I hope to continue working to define the issues so that we can make informed choices based on the overall best interest of the town."

Connor is a member of St. Mark's parish, taught in the religious education program for four years, and is on the Building Committee. She also serves on the PTA Board of Directors as the Education Liaison, and has coached in the youth soccer program.

Connor has lived in Sutton for 13 years and has four children, all attending Sutton schools. She has a degree in government from Georgetown University and has completed a year of graduate study in public administration at George Washington University. Her past experience includes work as a planner in Worcester's Office of Planning and Community Development.

Hutchinson Announces Candidacy in Sutton

SUTTON - Carl Hutchinson, 208 Burbank Road, has announced his candidacy for Selectman in the April 27 annual Town Election.

In announcing his candidacy, Hutchinson said, "I offer new approaches and ideas to help the Town of Sutton face its future. I will offer new and innovative approaches to finance the town budget. A case in point is the Camp Marion project." Hutchinson says he favors selling a portion of the site to finance planned improvements.

He also said he favors block grants from the state to finance state-mandated projects. "The best decision-making is that which occurs at the local level," he said.

Hutchinson also said he favors full funding of the Sutton Highway Department, citing the importance of maintaining the Town's infrastructure.

Hutchinson, 41, has worked for Hutchinson Machine Company for over 20 years. He was born in Sutton and has lived there for most of his life. He attended Worcester Polytechnic Institute, where he studied mechanical engineering. He is married and has two daughters, both of whom attend Sutton public schools.

For the last four years, Hutchinson has been Chairman of the Sutton Library Trustees. He is a former Chairman of the Sutton Finance Committee.

"I look forward to the challenge of serving the people of Sutton," Hutchinson said. "I welcome the support of all my fellow townspeople."

Named to Dean's List

WORCESTER - Carole White of Millbury has been named to the Dean's List of Becker College for the first semester of the 1990-91 academic year.

Celebrity Auction

MILLBURY - The Lioness Club of Millbury will hold a "Celebrity Auction Plus" at 1:00 p.m. on Sunday, April 14, at the VFW Hall, 16 South Main Street. Autographed items to be auctioned off include: Celtic's basketball, Bruin's Cam Neeley hockey puck, and pictures from Burt Reynolds, Vincent Price and others. Also, scripts from various television shows. Arts and crafts and floral arrangements will also be available.

Action Taken on Auditor's Report

By Lawrence Moore

SUTTON - The March 26 meeting of the Board of Selectmen was opened at 7:40 p.m. with all present.

In response to a request at the March 19 meeting, the School Committee submitted a summary of reductions that would result from a projected budget cut of $438,000: Non salary accounts - $48,000; Non Professional salaries - $60,000; 12 teaching positions - $330,000.

Selectman Dave Strieby said the cuts strike at "the real heart of the community and the school." He suggested further work on reductions in ranges of dollars, and favored renewed appeals to the State for support.

Board member Rick LaBonte criticized the unreal effect of Federal and State tax cuts in the 80's, saying most of the cuts had to be made up in local property taxes. "In Sutton we've passed 4 bond exemptions and one over-ride," he said. "More equitable income taxes were replaced by property taxes, which placed a heavier load on the elderly. Now we're faced either with drastic cuts in services in the community or raising taxes."

Miscellaneous

- A "purchase and sale" agreement has been made on a house on Skyeline Drive which will provide $15,000 for needed drainage work.

- The Planning Board was commended for asking for advice from the Police Department for a history of traffic accidents around the proposed residences at Pleasant Valley and for asking for a traffic impact opinion.

- A request for a name change for Camp Marion has been placed on next week's agenda. Town Administrator Dexter Blois clarified that the camp was purchased for municipal purposes. It is, therefore, necessary only for the Selectmen to vote a decision on a name. Johnson recalled the name had a historical significance, and felt if people knew the reason for the name, it would remain the same.

Town Engineer

Strieby expressed concern over a request from Board of Health Chairman Richard Stewart for "more time" from the town engineer. Strieby recalled when the position was proposed it was to be partially paid for in savings of fees for outside services. Blois said Board of Health services are paid for by users and are not a drain on the town. He felt general town engineering work being done was definitely a savings, and said setting aside two and one half days for the Board of Health was not possible.

Blois will meet with Stewart and Engineer Dick Wharton in an effort to define the engineer's activities.

Medbury Road

The Highway Safety Study committee has recommended that a "weight limit" be imposed on Medbury Road. In order to by-pass lengthy state requirements, Blois recommended the road be made one-way southbound. The recommendation will be discussed with residents of the street.

Auditor's Management Letter

Each year the town is required to undergo an audit of its General Purpose Financial Statements. The report states that the study "disclosed no condition that we believe to be a material weakness. However, we did note the existence of several matters which are shared with you in this report." The report covers the year ending June 30, 1990, and is dated Dec. 4, 1990.

Blois submitted a summary of corrections which have been made. He stressed that the auditor brings to him conditions of concern which enables him to take corrective action immediately.

An outline of corrections follows:

- Drug Free Workplace Act policy is being worked on.
- The new computer system will correct a problem with School Department vouchers and invoices.
- Travel money will be paid as a reimbursement rather than on allowance to avoid tax problems.
- Vendor payments will be corrected by the new computers.
- Tax title problems of the Wilkinsonville Water District have been corrected.
- Perpetual Care interest and principal have been separated.
- Town Clerk's account system has been revised.
- Assessor's exemption applications are being time stamped for legal reasons.
- A non-discrimination policy is being drafted.
- A record of Trust Funds is not readily available. The task of assembling the information is a formidable one.
- A deficiency in the School Department payroll system has been corrected.
- The sewer privilege fee process is being prepared by Town Counsel.
- A plan to inventory and control all town assets will depend on time availability.
- The Town has adopted MGL Chapter 32 Section 22D which establishes a funded pension system.

Administrator's Evaluation

Strieby offered an evaluation tool which had been prepared in cooperation with an individual in the personnel department at his place of employment. The tool is weighted to provide a relative numerical valuation. It defines the Town Administrator's responsibilities according to the Charter: 1. Management of the Town, 2. Interaction with Selectmen, 3. Interaction with other bodies and town employees. It also defines areas of needed improvement, assesses the achievement of stated goals, and provides for the setting of new goals.

Strieby suggested the possible query of town employees in evaluating Blois. LaBonte, Board Chairman Mary K. Connor and board member Mike Chizy felt the responsibility should rest with the Selectmen.

SUTTON from Page 7

Questioning the value of a numerical assessment, Selectman Wally Johnson said, "In my opinion, you're either doing a good job or you're not."

It was agreed to complete the evaluation form now, but in the future to begin the process in December or January.

Warrant Articles

Blois reviewed the articles on the Warrant for the annual town meeting, noting that the first 13 are "routine." Others include:

- Article 17 accepts chapter 291 providing enhanced 911 service.
- Article 18 authorizes the Board of Selectmen to negotiate with Douglas on an intermunicipal agreement for the Manchaug sewer system.
- Articles 19, 20 and 21 are petitions regarding hydrant rental in Manchaug.
- Article 22 provides for a new rescue van.
- Article 23 replaces the Manchaug library doors.
- Article 24 purchases furniture for the expanded library.
- Article 25 continues automation of the library.
- Article 28 rescinds excess borrowing authorization for the elementary school roof which has been completed at a savings of almost $200,000.
- Article 29 police computer equipment.
- Article 30 carpet in elementary school.
- Article 31 replace salt shed.
- Article 32 money for improvements to recreation greens.
- Article 33 deleting a section of zoning by-law.
- Article 34 revised by-law, including fines, for dog owners.
- Article 35 sets up an "animal damage" reserve account.
- Article 36 resolution on question 5.

Articles 37 & 38 concern the reconstruction of Lincoln Road. Article 37 permits temporary slope easements and 38 accepts as a gift a permanent drainage easement from Ross E. and Linda A. Weaver.

Articles 39 & 40 permit the town to "discontinue as a public way" Graves Road and Caplette Road. In a discussion of "discontinue" vs "abandon" Blois explained that in the opinion of town counsel there is a "gray area" possibility that an "abandoned" road might have to be rehabilitated by the town at some time in the future.

Articles 41 & 42 establish penalties and procedures for the enforcement of zoning and general by-laws by both criminal and non-criminal procedures.

Town Hall Parking

LaBonte reported on complaints from residents about improper use of handicapped spots around the town hall. Blois will speak with Chief Baker about enforcing compliance, the parking of cruisers, and a study of suggestions for improvements.

July 4 Celebration

LaBonte suggested that a letter be sent to all groups in town inviting their participation in a July 4th celebration.

Johnson suggested that a General Committee, perhaps of 9 members, be formed with sub-committees to develop the program. Chizy thought a member of the Board of Selectmen should serve. LaBonte suggested Johnson, who agreed.

Camp Blanchard

A complaint was received about a $700 charge for youth baseball at Camp Blanchard. It was decided to write to the YMCA about reduction or elimination of the charge.

MHS Honor Roll

From My Window on Farnsworth Court

By "Pastor Rae" Cameron

First the good news and then the bad news. The good news is that we are having an "elevette" installed at Millbury Baptist Church. The bad news is that we are not able to have our monthly luncheon due to the construction. We appreciate all of those who have supported our luncheons; they will be resumed very shortly.

The carpenter who is putting up the frame for the elevette has to come up Route 128 and on to the Mass. Pike to reach us. We talked about his coming some other way to avoid the heavy traffic that has always been associated with Rte. 128. He told me, however, that there isn't very much traffic on Rte. 128 any more because of the unemployment in our state. That's a real problem and it is getting worse.

My wife and I had dinner the other night with a couple who are new to our church and its fellowship. The lady of the house used to be a welder for General Motors, but when they went out of our area she was re-trained with computers. Now she works to re-train other unemployed people and she is kept very busy these days. That is one solution to the problem.

There are also several churches in the area who have support groups for unemployed people. They have seminars on how to make out resumes and other leads on how to find a job. Also, the dialogue helps in their job search.

We in New England have a very strong work ethic that we have inherited from our Puritan forefathers. In our society you are not only identified by your name, but also by the work that you do. After asking, "What is your name?" we follow it with, "And what do you do?" To lose your work is to lose your identity, too.

It is good to work, but the person who does not have a current job does not need our put-down. We have created a great number of labor-saving devices, and it is now time to rethink our 40 hour week. Would it not be better for two people to work 20 hours each at a living wage than for one of them to be unemployed? Then life could also consist of many wonderful leisure and creative activities and volunteer work for the church, benevolent organizations, and many other community projects. May our God grant us the wisdom we will need to face our problems. Amen.

Pierpont Seeks Re-Election as Moderator

SUTTON - Ronald E. Pierpont, 191 Whitins Road, has announced his candidacy for re-election to the position of Town Moderator. In making his announcement, Pierpont chose to forgo listing his thirteen years of town service and offered the following statement:

"The necessary traits and attributes of the position as moderator are basic and very simple: First, this position requires a vast knowledge of town meeting law and procedures; Secondly, the person who performs these duties must be fair and possess some degree of common sense; Lastly and most importantly, this person must maintain the highest level of integrity and have no other conflicts that may impair his sense of justice and fair play.

"I believe I have shown these qualities as a moderator for the past three years," Pierpont said, "and I promise to continue to represent the highest standards in my next tenure as your moderator."

Licopoli Seeks Moderator's Post

SUTTON - Carl A. Licopoli, of 22 Fuller Road, has announced his candidacy for Town Moderator.

In making his announcement, Licopoli said, "The reasons for my seeking the office of Town Moderator are that this office has been uncontested in the past and I don't think that it is fair to the community in not having a choice. My background in management for a large international firm, my municipal experience in positions of leadership make me a good candidate for this office. I also feel that this position should be independent of any political influences as it is a position of mediation and control, so that the objectives of the town meting are achieved."

A former selectman, Licopoli served as town treasurer and on the finance committee. He has also served on the Charter Commission, the by-law Revision Committee, and the Power Plant Feasibility Committee.

A graduate of Villanova University, he served in the U.S. Army from 1958 to 1962. He is a Charter member of the Sutton Lions Club. Licopoli is employed by Ingersoll Rand Company, Southboro, as the New England Area Sales Manager.

Women's Fellowship Has Active Agenda

SUTTON - The Women's Fellowship of Sutton will hold its next luncheon meeting on Thursday, April 11, at the First Congregational Church. The speaker will be Police Chief William Baker. All women of the community are invited to attend. Babysitting is provided.

The purpose of the fellowship is to serve the community and to help benefit the church financially. Meetings are held on the second Thursday of every month. For more information on the fellowship, call Nancy Bickford at 865-1955.

The next social and fundraising event will be a Whist Party on April 12 at 7:30 p.m. There will be drawings for door prizes and food baskets. Refreshments will be served. Tickets may be purchased at the door for $2.00.

On Saturday, May 18, a Flea Market will be held, rain or shine. The fellowship will sponsor a bake sale table and a plant table. To reserve a table, call Nancy Perry at 865-4907.

Kourey Seeks School Committee Seat in Sutton

SUTTON - Victor N. Kourey, 46, of 27 Maple Lane, has announced his candidacy for a three-year seat on the School Committee. He is a clinical chemist at the Medical Center of Central Massachusetts. In addition, Kourey has 12 years of teaching experience, five years at Leicester High and seven years at Burncoat High School.

In announcing his candidacy, Kourey said, "I have had 12 years experience in the field of education, and six years experience in lab management. I am in favor of strong, consistent disciplinary policies coupled with a strong emphasis on the basics (reading, writing, and arithmetic). I have a good understanding of the problems brought about by Proposition 2 1/2 and its effect on the school system.

"I feel that the present School Committee has become complacent," Kourey said. "The same members have run this committee for the past 5 to 8 years. I also feel that there are areas in our schools that need to be addressed and it is going to take new ideas and leadership to address them. These areas include curriculum, personnel evaluations, contractual agreements, and school operational policies, to name a few. I feel I have the qualifications and the resolve to bring these needed changes to the Sutton School System."

Kourey received a bachelor's degree from the University of Massachusetts, a master's of education from Worcester State College, and a master's in natural science from Worcester Polytechnic Institute. He is a state certified science and math teacher and a certified clinical chemist.

Kourey served in Vietnam between 1968 and 1971. He is currently the Assistant Cub Scout Master in Sutton and a member of the Recreation Commission.

Rabies Clinic in Sutton

SUTTON - The Town of Sutton will sponsor a Rabies Clinic for cats and dogs on Saturday, April 6, from 1-3 p.m. at the Town Hall, Uxbridge Road. The cost will be $5.00 per animal. Licenses will also be available.

July 4th Parade

MILLBURY - The Millbury Lions Club's annual July 4th parade will be held on Sunday, June 30, in conjunction with a chicken barbecue at 1 p.m. The theme of this year's parade is "Proud to be an American." Contributions are needed to help defray expenses. Send contributions to: Millbury Lions Club, c/o Len Horton, 23 Hemlock Drive, Millbury, MA 01527. If you or your organization would like to participate in the parade, call 865-4898 to obtain a registration form.

Chairwoman
April 4 and 11, 1991

Town of Sutton
NOTICE OF PUBLIC HEARING

The Sutton Board of Selectmen will hold a public hearing to consider the discontinuation of a public way now or formerly called Graves Road from its origination on the southerly side of Mendon Road, near property of Kowszik, extending southerly and easterly to its termination at a point on the westerly side of Barnett Rd., near property of Morosas and Beaumont, said road being accepted by the Town in three (3) sections (May 14, 1783, May 15, 1809, and unknown date.

The public hearing will be held in the Sutton Town Hall on April 23, 1991 at 8:00 p.m. Members of the public are invited to attend and to offer any comments on the issue. Written comments must be received on or before April 19, 1991 in the office of the Board of Selectmen.
Dexter P. Blois
Town Administrator
April 4 and 11, 1991

Town of Millbury
INVITATION TO BID

The Town of Millbury, hereinafter called the Owner, invites sealed bids for Streetlight Luminaries in accordance with Document Bid 91-21.

A 5% Bid Deposit as cash, certified, treasurer's or cashier's check, or a bid bond, payable to the Town of Millbury shall accompany the Bid. A performance and payment bond in the amount of 5% of the contract amount will also be required of the successful bidder at the time of the contract.

Bids will be received at the Town of Millbury, 127 Elm Street, Millbury, MA 01527, until 11:00 A.M. local time, Wednesday, April 24, 1991. General Bids shall be received only on forms furnished by the Owner. If mailed, Bids should be sent to the address above and the outer envelope shall be clearly marked 'BID for Streetlight Luminaries" in the lower left hand corner. The Bids will be publicly opened and read aloud at that time.

Contract Documents may be obtained at the office of the Millbury Town Hall, 127 Elm Street, Millbury, MA 01527 after March 25, 1991.

In inviting Bids, the owner reserves the right to waive any informality in the Bid and to reject any or all Bids if it is in the public interest to do so. All Bids shall remain in effect 30 days, Saturdays, Sundays, and legal holidays excluded, after opening of the Bids.
Board of Selectmen
Town of Millbury
April 4 and 11, 1991

On The Shelf

By Rosemary Waltos

Before you hit the Sunday classified section in search of your next job, hit the stacks at the Millbury Public Library for books on developing a winning job search strategy or changing your career. You'll find books like What Color Is My Parachute, a perennial favorite by Richard Nelson Bolles, and Harvey Mackay's Beware The Naked Man Who Offers You His Shirt. Both books provide a road map to your career.

Resume how-to's help you find the right words to describe your knowledge, skills and abilities. These can be found in the 650 section of the library. Look for some of our newest titles: Better Resumes for College Graduates, Overnight Resume and Power Resumes. Women who have been working as homemakers all these years and want to work outside the home will want to check out Does Your Resume Wear Apron Strings? and From The Baking To The Winning Of Bread by C. Edward Good. Hardball Job Tactics help individuals with tricky backgrounds to sell.

Once you get beyond the resume stage, read Knock 'Em Dead With Great Answers To Tough Interview Questions. Don't bypass our reference collection where you'll find important titles like Occupational Outlook Handbook and Encyclopedia of Careers and Vocational Guidance. Both provide information on hundreds of career possibilities with information on opportunities, educational and training qualifications, advancement potential, earnings and future outlook.

If you're trying to tailor your resume for each job you are applying for, you might find it easier to use the library's Apple 2GS computer in our adult services area. The computer can be used on a first-come/first-serve basis, or you can call ahead and reserve time. The library also has word processing software to make the job easier for you.

If you don't like computers, feel free to come in and use the library's electronic typewriter instead. You'll need to bring your own supplies (don't forget the white out).

Some career changes mean going back to school. Our college catalog collection contains catalogs for many New England colleges. We also have comprehensive college guides including College Blue Book and the Peterson's College Guide series. You'll find these in our reference section. Maybe you can bypass returning to school after reading You Can Make It Without A College Degree.

Finding a job or changing careers can be stressful even for seasoned job hunters. Let the library help relieve some of the stress by providing you with the materials that you need for a successful search or transition. Remember, if you can't find what you need on our shelves, just ask. Chances are that we can get what you want with a minimum wait.

Library hours: Tuesday-Thursday, 10-8; Friday, 10-6; Saturday, 10-1. Telephone: 865-1181.

PTA Meeting

SUTTON - The Sutton PTA will meet on Wednesday, April 10, at 7:30 p.m. in the Sutton Elementary Library. The public is invited and encouraged to attend. This month's meeting will discuss the upcoming school budget and the PTA officer nominating committee selection.

Soccer Team Takes Top Honors

SUTTON - A soccer team comprised of Sutton residents recently took top honors at the third annual Hudson High School Girls' Indoor Invitational Tournament. The team was comprised of: Seniors Bonnie MacCollom, Tess Anyon, Jayna Morello and Marie Crosby; Junior Jodi Page; Sophomores Laurel MacCollom, Tanya Wandland, Nicole Gravison, Katie Johnson and Jenna Kurowski; and Freshmen Jenica Junnila and Debbie Flaherty. The team traveled to Hudson over the weekend of March 16-17. With virtually no practice, and wearing borrowed uniforms, the girls bested well-practiced and smartly-attired teams from Leominster (5-0), Nipmuc (2-0), and Millbury (2-0) in the opening round. In second round play, they disposed of Hudson (2-1), Lincoln-Sudbury (1-0) and Millbury again (1-0).

The semi-finals pitted Sutton against a rough and tenacious Groton-Dunstable squad. At the end of the regulation play, the score was 1-1. Both goalies were pulled for the sudden death overtime period, and within 30 seconds, Deb Flaherty looped a perfect pass to Jenna Kurowski who headed it into the open net.

The championship game featured a real David/Goliath match-up: Sutton (Division III) versus Marlboro (Division I). The teams played tight and even for the first five minutes, then lightning struck in the form of freshman Flaherty who sent one crashing into the back of the net. Lightning does strike twice, as Flaherty proved several minutes later when she fired another searing shot that proved too hot for the goalie to handle. Marlboro battled back and cut the lead in half when Kim Boyle sent one screaming into the far corner. Goalie Anyon made several brilliant saves to keep the game nail-biting close. With about three minutes left to play, sophomore Kurowski sealed the outcome with a quick flick that slipped past the goalie into the left corner. Tanya Wandland and Bonnie MacCollom had the toughest assignments of the day and succeeded brilliantly in shutting down the feared Marlboro offense, and Nicole Gravison owned the midfield, making stunning interceptions and pin-point passes.

In bringing back the championship plaque, Sutton outscored its opponents 18 to 3 (Kurowski 11, Flaherty 7) and Anyon posted five shutouts in seven games. The team was well coached throughout the weekend by Keith Kurowski.

New England Architecture Focus of Program

MILLBURY - The Millbury Public Library will present the second in a three part series on the architectural evolution of New England's rural and urban landscape on April 9 at 6:30 p.m. in a program entitled, "New England Architecture." To register, call 865-1181. This program is funded by the Massachusetts Arts Lottery as administered by the Millbury Arts Council.

John O. Curtis, Director of Old Sturbridge Village's Curatorial Department, will explore New England's vernacular and high-style domestic dwelling houses and trace the development of New England architecture from the late 17th century through the middle of the 19th century. Special attention will be given to the importance of English and American design books and the differences between Georgian, Federal and Greek Revival architectural styles. Dwellings from the New England region will be used as examples.
